I have every confidence in the machine, and believe that we will be able to fly with the best of them when she gets

Walker and Wade have been assisted in their work by Doris Davis, son of D. L. Davis, and Oscar Allred of the national guard of Utah.

WARDEN CHAMBERS SAYS JAP'S FINE WAS TOO LOW

A Jap, whose name was not known at the office of F. W. Chambers, state fish and game commissioner, was arrested by Warden J. Dalrymple at Centerville Thursday. Yesterday the Japappeared before Justice Joseph E. Williams and was fined \$10. "The fine for this Jap should have been at least \$100." The license for a foreigner is \$100 and the license for an American citizen who was arrested he would have been fined \$10 the same as this Japwas. It is my opinion that the fine for a foreigner should be at least ten times as great as that for an American times as great as that for an American

BROTHER WITH JEWELRY ARRESTED IN SEATTLE

Joseph G. Crompton, a policeman of Ogden, started for Seattle last night, carrying requisition par ers for Earl B. Mitchell, who is wanted at Ogden for grand larceny. It is charged that Earl B. Mitchell and his brother, C. B. Mitchell, stole money and jewelry be-longing to Mr. and Mrs. David Crockett and Charles Pettibone from the se in which they were all rooming. of the articles were found in hops at Ogden, and C. B. Mitcharrested and admitted that he s brother were guilty. The several days ago at Scattle.

How Safety Is Provided

Safety for money does not come as an accident. The safety for deposits, which this company affords, has been provided by the most painstaking service on the part of its management through more than twenty-four years of active business history. Our capital and surplus of \$400,-000.00 afford ample security for all deposits entrusted to our care. Savings deposits of one dollar or more draw interest at the rate of 4 per cent per annum, compounded twice a year.

Farnsworth, will file his bond for \$560,000 some time next week, and year, the bond will be considered by the state board of examiners, together with the report of the audit of the ac counts and securities of the office.

SCHOOLS WILL ENLARGE EXHIBITS AT BIG FAIR

Secretary Horace S. Ensign Believes That Another Building May Have to Be Erected.

tary of the state fair association, the educational exhibits at the Utah state fair will be the largest ever brought together in this state. The majority of the institutions of the state have requested additional space this year, and it is probable that a new temporary building will have to be erected, outside on the grounds, to hold the over-flow from the educational exhibit. Schools from various parts of the state that heretofore had no exhibit are requesting space this year and additional space is being asked for by the University of Utah, the public schools and the Agricultural college.

The Agricultural college is arranging

an especially interesting display, a fea-ture of which will be a demonstration of the results of experiments carried on by the college in connection with the lucerne weevil.

BANQUETS OLD FRIENDS TO ANNOUNCE ADVANCE

As a prelude to announcing his advancement from manager of the Salt Lake Electric Supply company to general superintendent of the Capita! Electric company's system of branch stores, Fred C. Walker gave a dinner at the Wilson hotel at the close of the recent meeting of the managers of the branch houses in Utah, Idaho and Montana. It was also announced that H. K. Scheiber, who has had charge of the Butte store, will become man-

ager of the Salt Lake house. An interesting feature comes to light in this connection, as Mr. Walker and Mr. Scheiber both started to work for W. Nichol in 1895 as store boys, and both have filled the positions of store boy, wireman, shop foreman, superintendent and manager of the Salt Lake Electric Supply company, and it is interesting to note their steady climb with this important electrical concern.

SERVICES RESUMED IN THIRTY-THIRD WARD

Services will be held in the Thirtythird ward meeting house today; Sun-day school will convene at 10 a. m. The day school will convene at 10 a.m. The evening services will be at 6:30 o'clock. A special musical program will be given under the direction of Joseph Poll and the Thirty-third ward choir. The speakers will be Dr. Fred J. Pack and Charles E. Forsburg. These are the first services to be held in the Thirtythird ward for the last five weeks.

The recently improved grounds about the meeting house present a beautiful appearance. New cement walks have been laid.

NEVADA SPECIALIST | FIELD DAY AT DIES FROM HEAT

Fruit Express Beats All Records From Sacramento to Denver.

DENY ANY RACE WAS ON

SHORT LINE PREIGHT STARTED AT SAME TIME.

Nine hours ahead of schedule and running faster than passenger time, the first fruit train over the Western Pacific from Sacramento to Chicago arrived in Denver last night, beating all fast freight records between Sacramen to and Denver. The time made by the train is regarded by railroad men a an epoch-making event among competing roads.

The train, consisting of 44 cars, left

Sacramento last Wednesday night. Manned by the pick of train crews and the best engines, the big train sped across the Sierras and over the Utah desert, arriving in Salt Lake at 12:40 p. m. Friday. A stop of half an hour was made here to ice the cars and change engines. Then the train, with a fresh crew, was turned over to the Denver & Rio Grande and was off for Colorado.

Mrs. Allen in home of Mrs. Clarence E. Allen in First avenue, when the main feature was the reading of reports of the delegates who attended the national meeting held in Denver in June.

About the time the train left Sacra-mento another train of about an equal number of cars of fruit left over the Southern Pacific. This fact gave rise to a report that a race was on between the Southern Pacific and the Western the Southern Pacific and the Western the work taken up by the organization, which numbers 200,000 seriously-Line. From the office of the general character dealing with child culture, manager of the latter road it was ascertained that no orders had been is-sued to exceed schedule time on any of the fruit trains between Sparks and izations, An interesting feature of the

While freight rates are the same on both roads, there is a sharp competition for fruit business out of the Sacramento valley. The advantage seems to hinge on the time between Sacramento and Chicago. Time is everything washington, D. C., as is the custom to the fruit shipper.

ACCEPTS MORAN'S BID TO REPAIR THE STREETS

Board Receives No Other Offers for That Work-Lets Contract for Dredge.

P. J. Moran had a clear field and no competition in bidding for the street repairs for 1910 yesterday, and his bid was accepted by the board of public works at a special meeting held
